

The African Bush Camps Foundation is a registered non-profit organization that has been in operation since 2006. The Foundation's mission is to partner with communities that are located near our camps to improve quality of life and achieve long-term conservation through programs focusing on:

Education, Community Empowerment, and Conservation.

We have projects running in Zimbabwe, Zambia, and Botswana that focus on addressing challenges that include unemployment, food scarcity, poor education and health care infrastructure, low school attendance and dropouts due to financial constraints, wildlife poaching, and preserving natural resources.

Projects in Khwai Community Area

Khwai Pre-School

ABCF partnered with the Khwai Private Reserve and the Naledi Foundation to develop a pre-school in the area for learners. This school is a much-needed relief to the community, as children no longer travel for hours by road to larger villages to get an education. ABCF has fixed the fence at the school, and installed a new playground and jungle gym.

Book a visit

Visit our local projects during your stay.
The trip includes a visit to the Khwai Pre-School.
Transfer by vehicle: 30 minute drive time
Duration: 1.5 hours

Should you wish to visit our project, you can enquire and book in-camp to visit the projects. Kindly note that this is subject to the availability of vehicles and guides in-camp during your stay.

For more information on our foundation, enquire in-camp, visit our website or contact us via email.
